

Questions and Answers for Security Services RFP11.22.22 Revised 2.7.23

Q. I see that 3.26.4.5 states:

Hours 8 hours per day, 5 days per week regularly scheduled hours and rotating days for Full Time Position, 8 hours per day, 3 days per week for Part Time Position

Can you provide a total weekly hours needed per property for all 8 properties included in the RFP?
.....or.....

Are we to assume that all properties receive coverage in blocks of 5 days on, 2 days off /week with 40 hours per property per week and then calculate from there?

A. Listed are the location with expected coverage at each site:

Beacon Heights – 3 days/24 hours per week

McCormick Place – 5 days/40 hours per week

Brookmill Court – 5 days/40 hours per week

North Highlands – 3 days/24 hours per week

Tall Oaks – 3 days/24 hours per week

River Cove – 4 days/32 hours per week

Brooklyn Manor – 3 days/24 hours per week

Posterity Scholar House – 3 days/24 hours per week

These days should be rotating schedule and hours are between 7:00 pm to 3:00 am

Q. The RFP refers to attachment H for proposed schedule and I was unable to locate that attachment. Would you be able to point me in the right direction or send over the attachment?

A. The Attachment H was removed and section 3.21.1 should read as follows:

3.26.1 The selected security services company shall provide all labor and equipment to perform the following security services at McCormick, Beacon, Brookmill, Tall Oaks, River Cove, North Highlands, Brooklyn Manor and Posterity Scholar House consistent with, and in addition to, the requirements of Attachment J – “Procedures for Security Services in Residential Communities.”

The schedule is stated above in my answer to a previous question answered regarding hours and scheduled times worked at each site.
