

Fort Wayne is a major metropolitan area which has a rich industrial and manufacturing history. The city boasts a magnificent network of parks and boulevards connecting three rivers and various neighbors, along with a transformative downtown area. To further the positive trajectory of the city, the Fort Wayne Housing Authority is pursuing a Choice Neighborhood Initiative Planning Grant.

Fort Wayne is hungry for positive change!

The mission of the Fort Wayne Housing Authority is to revitalize our city by building and developing safe, quality, affordable housing options, while providing programs to foster community, alleviate poverty and encourage long-term economic self-sufficiency. Pursuing the holistic and comprehensive CNI Planning Grant, the Fort Wayne Housing Authority is upholding its mission and moving its residents and communities forward alongside the City of Fort Wayne's initiatives.
